ROOMVENT 2014

13th SCANVAC International Conference on Air Distribution in Rooms

WELCOME TO ROOMVENT 2014

In October 2014, in São Paulo, we will have the opportunity to establish a remarkable meeting for the promotion of actions aimed at improving the quality of the environments of buildings and aircrafts: the ROOMVENT 2014 (13th SCANVAC International Conference on Air Distribution in Rooms), organized by Institute for Technology Research (IPT), University of São Paulo (USP), Federal University of Minas Gerais (UFMG) and University of the State of North Fluminense Darcy Ribeiro (UENF), on behalf of SCANVAC (Scandinavian Federation of Heating, Ventilating and Sanitary Engineering Associations).

New technologies and ventilation strategies for low energy consumption, passive houses and zero emission buildings. Through a comprehensive view of the concept of indoor environment and addressing enclosed spaces occupied by people in general (housing, commercial buildings and vehicles) in which the movement and air exchange have a critical role in comfort, health and safety of human beings, as well as energy efficiency and sustainability of buildings.

Besides the effects and modeling of physical-chemical-biological phenomenon processes involved, will also be addressed aspects of construction of buildings and vehicles, their systems and HVAC control and interaction between interior and exterior spaces. Also to be presented to the workshop on the ASHRAE Chapter in Brazil.

The ROOMVENT 2014 Conference will offer a platform for the exchange of scientific knowledge and technical solutions to scientists, educators, researchers and academics; business professionals like consultants, engineers and architects; and professionals interested in planning, construction and management of construction and aeronautical care facilities; together with policymakers and multidisciplinary professionals in federal, state and township areas. The conference will also provide the opportunity to view the state-of-the-art technologies, to interact with others and to work together for the benefit of the indoor environment and energy performance of buildings and airplanes.

On behalf of the whole Organizing Committee, we warmly would like to invite your Company to support the organization of this important event by contributing as a Partner, applying for packages and other Partnership Opportunities. Join us at the ROOMVENT 2014 on the economic development, innovation and research in the city of São Paulo, Brazil.

OCTOBER, 19th-22nd, 2014. São Paulo, Brazil

ROOMVENT 2014

13th SCANVAC International Conference on Air Distribution in Rooms

KNOW MORE ABOUT THE ROOMVENT 2014

A – Indoor Air Quality and Human Comfort

- A1 - Thermal Criteria and models
- A2 – Contaminant distribution in spaces and ventilation efficiency
- A3 – Indoor environment, health and productivity
- A4 – Pollutants in the indoor air
- A5 – Acoustic comfort and HVAC systems
- A6 – Measurement methods

B – Ventilation and Air Conditioning in green buildings

- B1 – Natural and hybrid ventilation
- B2 – Local and demand controlled ventilation
- B3 – Ventilation and energy efficiency in buildings
- B4 – Sustainable energy systems
- B5 – Maintenance and improvement of ventilation systems
- B6 – Life cycle services and commissioning

C – Innovative Strategies and components for ventilation and air conditioning

- C1 – Design methods of ventilation and air conditioning
- C2 – Room air distribution systems
- C3 – Performance of ventilation systems and Control
- C4 – Filters and air cleaning
- C5 – Simulation of building systems
- C6 – Low energy cooling and heating systems
- C7 – Building automation and information systems

D – Computer based design methods applied to room ventilation

- D1 – CFD Models and methods
- D2 – CFD application
- D3 – Multizone models and thermal building simulation

E – Airflow inside buildings and case studies

- E1 – Residential ventilation
- E2 – indoor environment in schools
- E3 – Air and contaminant flows in hospitals
- E4 – Ventilation for special environments
- E5 – Net zero Energy Buildings

F – Smoke and Contaminant Movement

- F1 – Ventilation systems in tunnels
- F2 – Pressurization systems in stairwells
- F3 – Smoke movements in Tall atria
- F4 – Natural x Mechanical exhaust systems in buildings

G – IAQ in vehicles

- G1 – Aircraft smoke events
- G2 – Disease transmission
- G3 – Pressurized Cabins
- G4 – VOCs and Ozone contamination
- G5 – IEQ in urban trains

OCTOBER, 19th-22nd, 2014. São Paulo, Brazil

ROOMVENT 2014

13th SCANVAC International Conference on Air Distribution in Rooms

SPONSORSHIP QUOTAS

Investment	After 28.09.2014
R\$ 50.000,00	R\$ 55.000,00

PLATINUM

(1 QUOTA)

- 12 registrations
- 15 Dinner invitations

Opening Event: Company name mention

Welcome Cocktail: 5 minutes of presentation, Institutional Video, Small flags with logo on bistrô table tops

Dinner Chairperson: Institutional Video, Small flags with logo on bistrô table tops

Technical Visit Bus: Logo on head pillow, Folder

End of each day: Hostess to deliver the gifts (not included the value of the gift)

- Logo on the: Final program of Congress, Congressmen's pens, Congress Credential cord, Annals, anotations desk, congressmen's folder
- Banner in: Poster Room, Plenary, Snackroom Symposium
- Sticker Balloons in the Cyber Café (Does not include stickes)
- Totem with space for folder during "Coffee" sponsors
- Company name mentioned in International Conferences during 2014 for Roomvent 2014 divulgation.
- Company institutional material in the bag of the participants (6 pages)
- Event institutional video in the CD

DIAMOND

(2 QUOTAS)

- 8 registrations
- 5 Dinner invitations

R\$ 35.000,00 R\$ 38.500,00

Welcome Cocktail: Small flags with logo on bistrô table tops

Dinner Chairperson: Small flags with logo on bistrô table tops

Technical Visit Bus: Folder

End of each day: Hostess to deliver the gifts (not included the value of the gift)

- Logo on the: Final program of Congress, Annals, anotations desk, congressmen's folder
- Banner in: Snackroom Symposium
- Totem with space for folder during "Coffee" sponsors
- Company name mentioned in International Conferences during 2014 for Roomvent 2014 divulgation.
- Company institutional material in the bag of the participants (4 pages)

All sponsorship quotas will have:

- Company Logo appearance on the congress "hot site": www.roomvent2014.com.br

OCTOBER, 19th-22nd, 2014. São Paulo, Brazil

ROOMVENT 2014

13th SCANVAC International Conference on Air Distribution in Rooms

SPONSORSHIP QUOTAS

GOLD

(3 QUOTAS)

- 5 registrations
- 5 Dinner invitations

End of each day: Hostess to deliver the gifts (not included the value of the gift)

- Logo on the: Final program of Congress, Annals, anotations desk, congressmen's folder
- Banner in: Snackroom Symposium
- Company name mentioned in International Conferences during 2014 for Roomvent 2014 divulgation.
- Company institutional material in the bag of the participants (2 pages)

Investment

After 28.09.2014

R\$ 25.000,00 R\$ 27.500,00

SILVER

(no limited number of quotas)

- 4 registrations

- Logo on the: Final program of Congress, Annals, anotations desk, congressmen's folder
- Company institutional material in the folder of the participants (1 page)

R\$ 15.000,00 R\$ 16.500,00

BRONZE

(no limited number of quotas)

- 2 registrations

- Logo on the: Final program of Congress, Annals

R\$ 5.000,00 R\$ 5.500,00

All sponsorship quotas will have:

- Company Logo appearance on the congress "hot site": www.roomvent2014.com.br

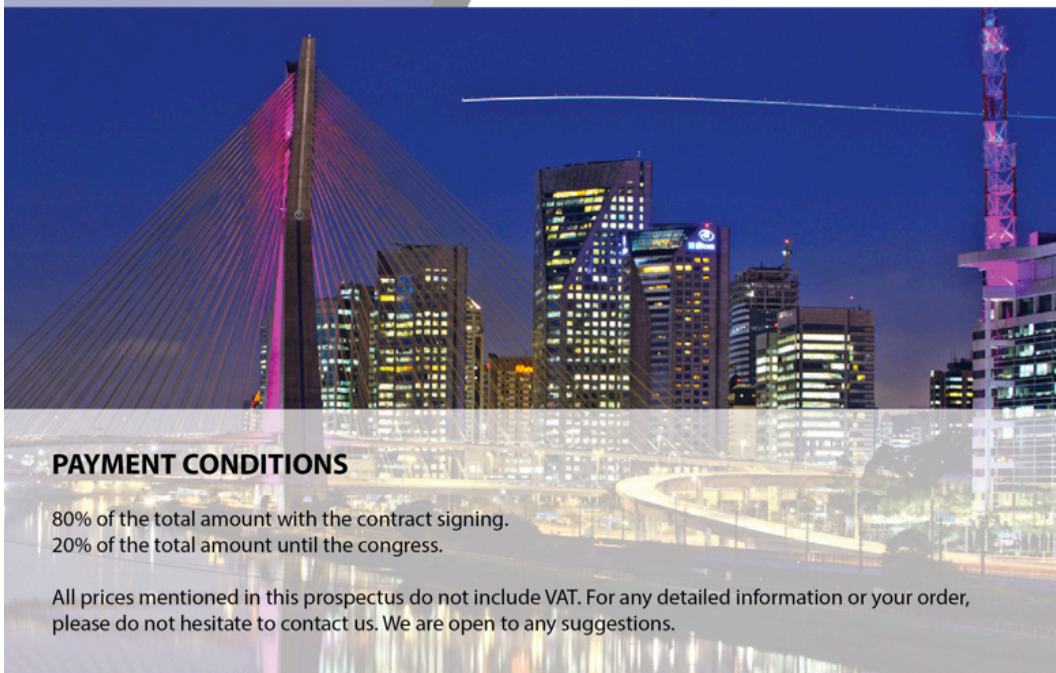

OCTOBER, 19th-22nd, 2014. São Paulo, Brazil

ROOMVENT 2014

13th SCANVAC International Conference on Air Distribution in Rooms:

New ventilations strategies with base in active and passive technology in building and for comfort in airplanes.

PAYMENT CONDITIONS

80% of the total amount with the contract signing.
20% of the total amount until the congress.

All prices mentioned in this prospectus do not include VAT. For any detailed information or your order, please do not hesitate to contact us. We are open to any suggestions.
